

Beyond reliving in PTSD treatment: Advanced skills for overcoming common obstacles in memory work

Brief description of workshop leader(s):

Dr Hannah Murray is a Research Clinical Psychologist at the Oxford Centre for Anxiety Disorders and Trauma. Dr Sharif El-Leithy is a Principal Clinical Psychologist based at the Traumatic Stress Service in South-West London. Between them they have 25 years of experience in working with complex cases of PTSD using trauma-focused CBT and supervise, teach and research widely in the field.
